In the name of Allaah, the Most Merciful, the Bestower of Mercy

On the 4th day from the month of Allaah al-Muharram, Shaykh Abdulmuhsin al-Abbaad (حفظه الله)¹ was asked concerning the Jihaad in Dammaj, and what does he advise us and the people of Yemen to do; because the Shaykh has been following the events since the blockage started.

“The Shaykh grievously responded: ‘There is no doubt that the fighting which has occurred in Dammaj is Jihaad in the cause of Allaah. Thus whoever from the people of Yemen is able to fight them; then he should do so; but he must seek his parents’ permission first.’ And I say: ‘Combating them from numerous sides is more suitable, because reaching Dammaj and fighting with them there is difficult because they are surrounded on all sides.’”

The Shaykh concluded by saying: ‘Oh Allaah annihilate the Raafidah, oh Allaah annihilate them.’
